Treasure hunt

Unearth some gems in these stores.

JUST KIDDING Lilly & Lolly's new store in Sydney's PYD Building in Waterloo is bursting with a sleek and bold range of furniture and linen for babies and children. lillyandlolly.com.au

GIFT RAP Greg Natale has created the luxe interior of the Wedding List Co. showroom in Woollahra, Sydney, that offers a range of giftware for every occasion as well as a comprehensive wedding registry. weddinglistco.com.au

TYPECAST Danish design studio e-Types has opened Playtype.com, a typographic showroom in Copenhagen (left), which is an extension of its online store. Customers can choose from more than 100 fonts, sold in a specially designed USB that resembles a credit card, as well as products including T-shirts, posters and books. playtype.com

MELBOURNE CUP-CAKE

Mim Design has just finished this whimsical interior of Joy Cupcakes (above) in Melbourne that features a cute wooden spoon installation. joycupcakes.com.au

ONE-STOP SHOP

Newcomer to Sydney's Surry Hills, Project 82 (below) focuses on natural materials and quality craftsmanship in a range of furniture, lighting and rugs. Owner Shelley Mason and her team can assist with home renovations or building projects. project82.com.au

WORLD VISION

Having worked on interior design projects in London and Hong Kong, Jenny Newton has now opened her eponymous showroom and design studio in Sydney's Redfern (left). As well as interior design and custom furniture services, the boutique also offers eclectic pieces and soft furnishings for residential and commercial spaces. jennynewton.com.au

ON THE MONEY

Architect Fabrice Ausset of Zoevox has created the stunning interiors of 2 Opéra (left), a bank concept store for BNP Paribas, located in the historic 2 Place de l'Opéra in Paris. With various interactive spaces, 2 Opéra has redefined the interaction between banks and their customers. zoevox.com

belle 90

BERLIN'S CREATIVE TYPES have been flocking to the newly opened Dudes Factory in the Mitte district for limited-edition pieces of design and unique artworks which can be deconstructed and applied to T-shirts and other products. dudes-factory.com
